

From your President, Laura Peterson

Hello, Roseville community! Do you have a highlight of your summer? We went to Spain in the spring so that meant we had a chill summer doing fun things around here. Fortunately Roseville is full of fun things to do. We live close to Central Park. Concerts at the Frank Rog amphitheater, taking in the beauty of the Arboretum and enjoying all the volleyball and softball players while walking our dog are definite highlights.

We recently placed 24 new Friends of Roseville Parks signs in our parks. They have a QR Code to scan to find out more about us and an opportunity to join FOR Parks. A reminder that it's just \$25/year for single and \$30/year for family, or any other amount of your choosing. Your donation goes entirely towards our parks.

Can I get a high five? 😊

These signs were printed with in-kind donation support from FastSigns, Roseville. Thank you, Kris and his team! If you're interested in displaying a sign in your yard, just let me know!

Two of our wonderful board members, Alicia and Kristen, recently made a Facebook [video](#) for you to enjoy. If you view it, look for a very cute special guest who has been perfectly named, in my opinion, for our Roseville community.

See you in the parks!

Laura

Our thoughts and prayers to board members **Leslie Norsted**, **Laura Peterson** and **Debby Willmus** on the recent passing of their respective fathers-in-law.

We are close to ordering the bench in honor of founding FOR Parks member, **Lu Zibell**. There is still time to make a donation in her memory via our [PayPal Giving Fund](https://paypal.com/us/fundraiser/charity/1691112) page (scan QR code or go to paypal.com/us/fundraiser/charity/1691112. If you donate this way, please click the box about sharing your name/email, we'll be able to thank you). If you prefer, send or drop off a check to us at City Hall. The bench is planned to be installed next year in Autumn Grove Park, close to Lu's home.
